

AQR — Atmospheric Quick Release

AQR — Atmospheric Quick Release

- Equalizes pressure in vacuum gripper systems to provide fast release of product.
- Consumes no additional compressed air.
- ON/OFF activated simultaneously with the ejector.
- No additional controls required — use a single 3/2 control valve for the ejector and AQR.
- Optional with fitting kit containing straight connector G1/8" and nylon tube.

Technical data

Description	Unit	Value
Feed pressure, range	psi	44–101.5
Temperature range	°F	50–122
Connection, compressed air		G1/8"
Connection, vacuum		G1/8"
Flow, atmospheric	scfm	6.99
Dimension, WxDxH	in	0.79x0.87x0.65

Technical data, specific

Description	Unit	Value
		01.11.236
Material		CuZn, PUR, NBR
Weight	oz	0.85

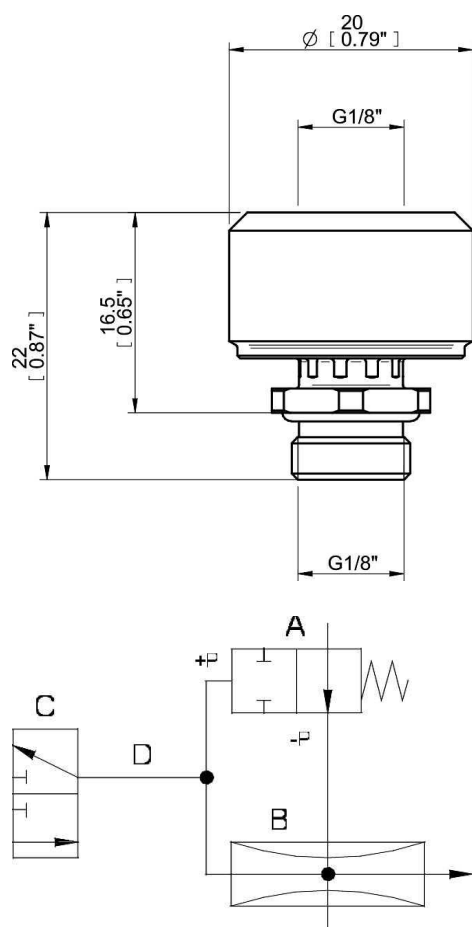

Ordering information

Description

Atmospheric quick release valve - AQR

Part No.

01.11.236

A=AQR, B=Vacuum pump, C=Control valve, D=Rec. max. 1.5m
